EVERY STUDENT MATTERS TO US...

Our mission at SHC is to transform students' lives by inspiring them to take full advantage of the high quality educational and enrichment opportunities on offer; enabling individuals to reach and exceed their potential and respond to the community we serve.

VALUES AND AMBITION:

- Celebrating diversity, mutual respect, inclusion and equality
- · Establishing aspirational pathways for academic excellence to ensure consistent progress of every learner
- Inspiring leaders through succession planning, shared values and professional accountability
- Creating a healthy, safe and secure adult learning environment
- Designing an exciting and engaging curriculum
- Constructing a strong collaborative network of external partnerships
- Providing both academic and personal support
- Both challenging and guiding students to achieve their full potential

H.E.A.R.T

Heart is central to everything we do and permeates the life of Shooters Hill Sixth Form College. This is what makes us unique and ensures that we really do make a difference to individual students' lives.

HEALTH & WELLBEING Creating a healthy, safe and secure adult learning environment

EMPLOYABILITY Developing personal skills to secure future employment

A ASPIRATION Establishing aspirational pathways for academic and

R RESILIENCE Providing enriching opportunities for students to confidently

face new challenges

TRAINING

Developing partnerships and external work experience opportunities to enable informed career pathways

2

Students develop their confidence and sel esteem well while at college. They benefit from the inclusive culture that staff create at the college and feel confident to express their views and opinions to teachers and

- Ofster

Students behave well around the college and treat each other and staff with tolerance and respect".

- Ofste

Teachers have good subject knowledge. Most are enthusiastic about their subject and, where appropriate, have relevant industry expertise. As a result, they are able to make learning meaningful.

Teachers and LSAs support students well to achieve their qualifications and develop the personal and social skills".

APEX – ASPIRATIONAL PATHWAY TO EXCELLENCE

A-LEVELS AT SHOOTERS HILL COLLEGE

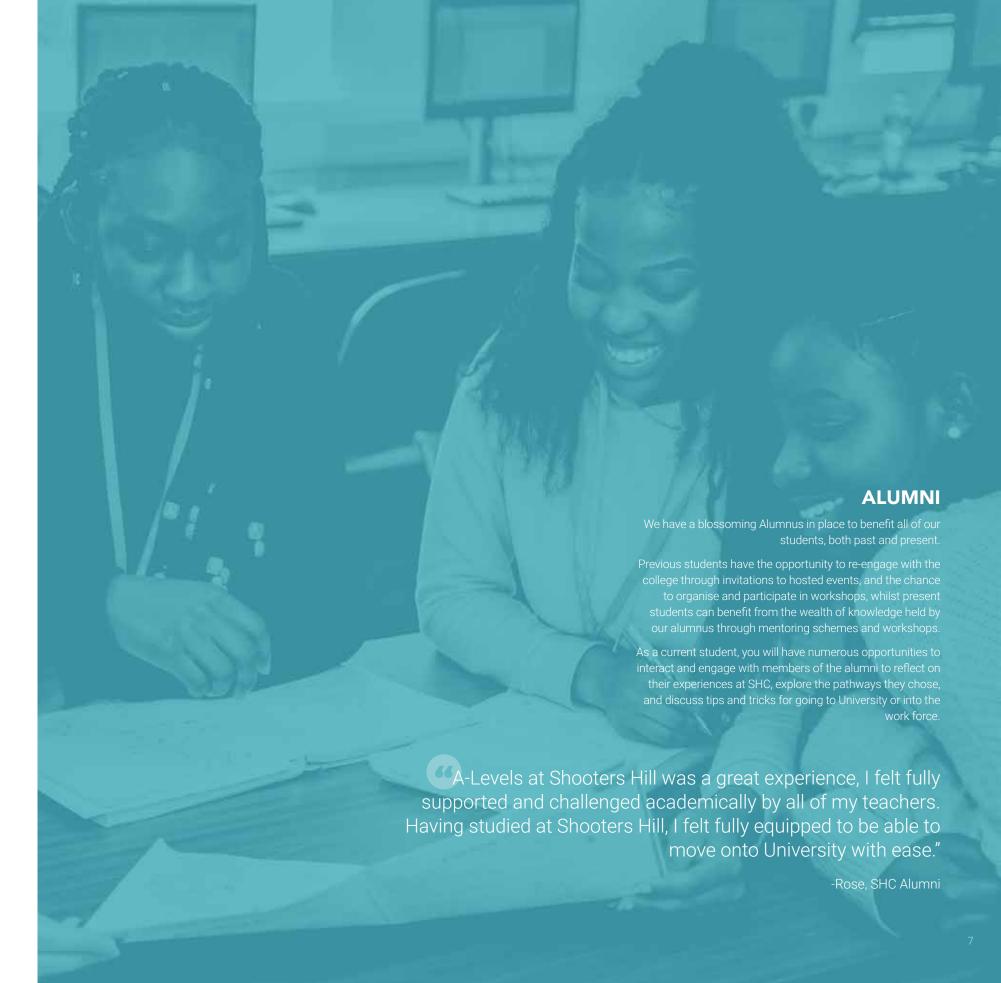

At SHC we offer an exhilarating way to study for high achieving students who want to push themselves further.

Our APEX programme is a pathway offered to you as an A-Level learner, providing you with dedicated trips, facilities and resources to enable you to excel and perform to your full capabilities.

Members of APEX can look forward to networking events where you can meet staff, students and professionals from top Universities and successful companies to gain first-hand knowledge, and explore upcoming opportunities.

In addition to this, APEX members can also benefit from:

- The opportunity to take part in the Young Medics Club APEX students interested in medicine and biomedicine can use 3D software to assume the role of an aspiring surgeon, performing anatomic and heart surgeries.
- Access to the APEX Lounge, a dedicated study area where APEX students can relax and engage in intellectual conversation and debate with peers.
- Invitation to trips and visits to Russell Group and Oxbridge universities.
- High level Work Shadowing placements: gain work experience and possible internship or employment at jobs catered to high level APEX students.
- Access to all SHC services Gym, City view Restaurant, Hair & Beauty Services and more.
- Opportunity to have your say on how the College is run via the APEX Forum.
- Access to the Duke of Edinburgh and Jack Petchy Awards.
- Invitations to trips and visits to high level professions and places of work to speak to top performing professionals.

A-LEVEL COURSES

A- LEVEL STUDY OPTIONS

3 A-LEVELS +
SUBJECTS BTEC CERT

MATHS

Ideal for: Mathematicians and physicists or anyone hoping to hone their Maths skills.

Goes well with: Economics, Chemistry, Physics.

Entry Requirements: Five GCSE Grades 9-5, including a Grade 6 in Maths and a Grade 5 in English.

A-LEVEL BTEC CERT COMBINATION COURSES

Here at SHC we also offer A-Level & BTEC combination courses for students who want the best of both worlds. Here is a list of BTEC Cert subjects that can be taken in place of an A-Level selection.

3D Design Gaming

Art & Design Health & Social Care

Business Studies I

Graphic Design Media Studies

GCSE ADVANCED STUDY PROGRAMME

At Shooters Hill College, we offer students aiming to be a part of our APEX A-Level programme the chance to achieve the desired grades via our GCSE advanced study programme.

The course study options are pre-chosen to enable students to have the best possibility in achieving their desired grades and progress further with their academic or vocational studies.

Replicating that of a GCSE programme, the course is condensed into one year, which may appear challenging, but with the support and guidance of the staff and students at SHC, we will help you achieve your desired grades and move onto the next step of your academic journey.

This course is ideal for students that have equivalent grades from other countries, who need GCSEs for future education and employment. It is also ideal for students who may have missed out on their exams due to illness or unforeseen circumstances.

ENTRY REQUIREMENTS

VOCATIONAL

- 1 **LEVEL 1** Students should have a range of GCSEs at grade 1 / 2. Entry will be heavily dependent on a successful interview
- 2 LEVEL 2 4 GCSEs grade 3 and above
- 3 LEVEL 3 5 GCSEs grade 9 4

Other courses, such as Art and Design, will require you to bring a portfolio of your work to your interview, along with your predicted grades.

A-LEVEL

For all A-Level courses, 5 GCSEs at grade 9-5 are required. This includes both maths and English. Please see the A-Level section for more information.

APPRENTICESHIP

Entries to our apprenticeships are dependent on an interview and success at our recruitment event.

YOUR INTERVIEW:

The final entry requirement to all courses is a successful interview.

- Be on time and be presentable; your first impression is important, make sure it's a good one
- Make sure to ask any questions that you may have. It may help if you write a list of questions before you interview so that you do not forget any.
- 3 It's okay to be nervous or anxious, just take your time and answer the questions when you're ready

VOCATIONAL

ART AND DESIGN

Art and Design is a stimulating and dynamic environment, which provides you with an outlet to explore your knowledge of creative problem solving through the production of innovative and exciting creative work.

We tailor your course to your skill set, so you can focus on refining the skills that are most important to you and your creative future. As well as developing these skills, you will look at the historical and theoretical background of the subject, explore critical analysis and apply your artistic skills within the industry.

So whether you're keen to gain a new skill, or interested in perfecting your current skills, we're sure to help you flourish as an artist.

SPORTS AND PUBLIC SERVICES

Studying in the Sport and Public Services department, you can look forward to exciting trips and talks from specialists, encouraging independent learning and strong links with prospective employers in the local community.

Sport is specifically designed for those interested in future employment within the ever-growing sports industry. Coaching, Physiotherapy and Leadership are the three main skills gained and explored on this programme.

Public Services encompass services such as the army, ambulance service, fire service and the police service. You will learn how they operate from a ground level, as well as additional skills like first aid, leadership and situation control.

Joining one of our courses will be challenging, yet ultimately rewarding.

INCLUSIVE LEARNING

The Entry level department provides a safe and challenging environment for young people to develop a range of skills that will support independence into adulthood, employment and the wider community.

Staff recognise that each young person is an individual and work hard to adapt our curriculum to meet their needs. Students are guided and supported by expertly trained staff to ensure maximum progress is achieved.

The journey to success may be filled with hurdles, but we will support you in overcoming these by helping you to develop confidence, self-belief and resilience and celebrate your achievements along the way!

Shooters Hill College and the Royal Borough of Greenwich are determined to ensure that we can meet the needs of all students; as such, each student that applies will be seen by a panel to ensure your needs can be met at SHC – but there's no need to worry, this is something we do behind the scenes to make sure everything is ready for you in September! For more information, visit www.shc.ac.uk/SENPanel

AVAILABLE COURSES

21

 $\label{thm:continuous} \textbf{Take a dip in the swimming pool, or sweat it out in our gym, free of charge for students.}$

Our Inclusive Learning department are always busy with trips and visits; whether it's a trip to a west-end theatre, after school club or the annual summer residential, there's always some fun to be had outside of lessons.

ADDITIONAL LEARNING SUPPORT

We have a long history of providing the best support for our learners across a range of services.

If you need extra help with your learning, specialist staff from the Inclusive Learning Team will work closely with you to assess your learning needs, agree with you how best to meet them, and with your permission pass this information on to staff who can work with you.

Staff will work with you and your teachers to make sure your course is accessible to you. Please let us know about your specific support needs when you apply so we can make arrangements ready for when you start your course.

We provide a range of advice and support for students with extra needs, including:

- Hearing or visual impairment
- Autism / Aspergers Syndrome
- Dyslexia / Dyscalculia / Dyspraxia
- ADHD

- Emotional and/or behavioural difficulties
- Learning difficulties
- Mental health issues and Medical conditions (e.g. epilepsy)
- General learning difficulties

At Shooters Hill Learning Support is provided in a range of ways:

- One-to-one specialist support
- In class support
- Loans of laptops
- Exam Access Assessment
- Access to specialist software
- Training to use assistive software

- Links to other organisations and external services that may be able to help.
 - We also provide small group Additional Learning Support:
- ASD Social Skills groups
- Speech and Language Therapy (SALT)
- Study skills and Exam practice

ESOL SUPPORT

Each year we receive a high number of international students who achieve top grades and progress onto high level courses. To support these students further, we have introduced our ESOL programme dedicated to help you as an international student if English is not your first language. Our staff will work with you to ensure both English, written and spoken, improves alongside your main area of study.

COUNSELLORS

If you feel like you need somebody to talk to or just listen, you can access our counselling services. Please speak to your tutor or visit the student centre and ask for the counsellor. This is a confidential service so you can trust that we will be discrete with your information.

CLASSROOM AND EXAM ASSISTANTS

We have dedicated learning support assistants who can help you every step of the way, from your first classroom lesson to your final exam.

BURSARY

We can provide financial support to eligible students via the bursary scheme.

THERAPY DOG

Findlay is our college therapy dog, in place to help students who are feeling upset or anxious. When he is not relaxing in his room, he can be found being walked around the college looking for students to help.

22

WORK EXPERIENCE

We know that work experience and career planning are vital to your ongoing progression and independence. That's why we are committed to helping you develop the essential tools and skill sets needed to help you thrive and flourish in these areas

Working with a wide range of employers, both local and nation-wide, we ensure that we can offer you a work experience placement of your choice relevant to your desired career paths and study programme.

Our dedicated employability and careers advice team will work closely with you to help build and create CVs, explore part-time job opportunities and establish work experience placements, better preparing you for the working world and life outside and beyond Shooters Hill College.

WORK EXPERIENCE SUPPORT:

- One-to-one careers advice and guidance
- CV building and creation sessions
- Mock job interviews
- Job searching tips and tricks
- Workshops and opportunities offered by well-known brands
- Introduction to a wide range of employers

We guarantee a work experience placement for each of our eligible students, providing close business links with employers for a wide-range of opportunities. We also regularly host career fairs and networking events so you can increase your contact base.

APPRENTICESHIPS

WHAT IS AN APPRENTICESHIP?

Apprenticeships combine on-the-job training, with accompanying studies to give you first-hand, well-rounded knowledge of your chosen field.
